How Trees Grow in the Urban Environment 1Mary L. Duryea and Marlene M. Malavasi2 Background is the increase in size and numbers of leaves, stems, and roots. What happens to a birdhouse if you hang it on a tree and come back in two years? Will it be at the same height or out of your reach because the tree has grown? What kinds of trees will we be talking about?same height or out of your reach because the tree has grown Trees are seed plants--that is they reproduce ...
